

UNBRIDLED RETREATS

Updated September 25, 2022

For over 10 years, Unbridled Retreats and Beyond the Arena, LLC have been committed to creating exceptional retreats for horse-lovers like you. We have proudly continued to be a safe haven in the midst of these unprecedented times, and it is our intention to continue serving our guests throughout our scheduled retreats in 2022 and 2023.

Our top priority is the safety and wellbeing of our retreat participants and the staff who cares for them. In response to this ever changing crisis, we have health and safety protocols for our in-person retreats.

This situation is fluid, and as it evolves, so will our response. We'll continue to be in touch and provide updates as they become available.

Please note that we reserve the right to change these policies without prior notice. We appreciate your understanding during this unpredictable and unprecedented time.

Is Vaccination required to participate?

Out of an abundance of caution, **Unbridled Retreats is requiring all 2022 and 2023 retreat participants to be fully vaccinated.**

We define “fully vaccinated” as having received two doses of the Moderna COVID-19 vaccine, two doses of the Pfizer COVID-19 vaccine, or one dose of the Johnson & Johnson COVID-19 vaccine, with the final shot received at least two weeks prior to attending a retreat.

If you were recently diagnosed and recovered from COVID-19, you will need to provide a doctor's note stating that you are no longer contagious and are medically cleared to travel.

Although we recommend getting a booster shot for added protection, it is not required at this time. To keep up-to-date with the current CDC Guidelines, please use this link: <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>.

These protocols enable us to maintain our safe container of wellbeing and will allow us to focus on what you signed up for - a transformative experience with horses in a healthy, stress-free environment.

Should I get travel insurance?

We highly recommend you get travel insurance. Travel insurance may cover your retreat in the event you are unable to travel due to certain circumstances and have to cancel your retreat.

We Are Here to Help You

We're committed to offering exceptional equine retreats for you to reconnect with your joy, find clarity, and gain courage to take your next steps in a healthy, nature-based environment. Please don't hesitate to reach out with any questions.
